RE: Mariachi Services in the Inland Empire

Dear Ms. Moreno,

Herencia Mariachi Academy is proud to provide the rich ***Heritage*** of mariachi music through education that will pass from generation to generation. Our Mission Statement states our focus; ***Herencia Mariachi Academy, Inc.*** denotes **Heritage, Education, Reach, Encourage, Nurture, Cultural, Inspire, and Accomplish. HERENCIA is an academy whose goal is to provide every component of which it stands for each of our students. It is with that knowledge that we are proud to not only be the only teaching academy that offers in school and after school education services to the Inland Empire, but also do so under the leadership of our director, Maestro Rafael Palomar, a living legend and a 25-year former member of Mariachi Vargas de Tecalitlan, a professional arranger and artistic/musical director. We are grateful for the success and growth our program continues to have. It is a testament to the vision our academy holds and confirmation that these programs are not only necessary, but beneficial and uplifting to our youth.**

During our research we were not able to identify any programs in the Inland Empire that offer the type of program that Herencia Mariachi Academy offers at local schools as an after-school program.
